Dear Mr. Gibson:

This letter is in response to your correspondence dated November 30, regarding response to your request for additional information on November 1. Unfortunately, the original request seems to have been lost in the mail, and was never received. We did make an error in carrying forward the correct totals on the lines referenced. However, the total receipts remain unchanged. Attached are the amended reports. Thank you for your assistance.

Should you need additional information, please contact me directly at 202/628-4160.

Sincerely,

A.J. Pietrantone
Assistant Treasurer
